5. Terms and Conditions of Sale:

1. Property of the goods shall not pass until the seller has received payment in full, although risk in the goods passes on delivery. Where the goods have been delivered to the buyer, but the seller has not been paid, then until such payment is received the buyer agrees to keep the goods as a fiduciary for the seller, to store or otherwise identify the goods in a manner that clearly shows the ownership of the seller and, if required, to deliver up the goods to the seller.
2. The buyer will be responsible for immediate examination of goods after arrival at place of delivery, and the seller shall, except as may otherwise be provided by law, not be liable for any claim to which it would otherwise be liable in respect of damaged goods including goods damaged in course of transit. Particulars of such claims to be notified to the seller in writing three (3) working days after arrival of the goods at the place of delivery.
3. The seller will not accept return of goods unless such return is authorised by the seller.
4. GST is not included in prices quoted unless so stated but will be charged to the buyer's account when applicable.
5. The Guarantors personally guarantee full payment of any outstanding account, and any expenses incurred in obtaining or attempting to obtain payment of any overdue amount shall be recoverable as part of the overdue amount.
